

## Index to Volume 71—Castanea 2006

- Agavaceae: Nomenclatural history of southeastern filiferous *Yucca*, with selection of a neotype for *Yucca flaccida*, 80–84.
- Alabama: 11 noteworthy collections, 251–253; *Cayratia japonica* naturalized, 248–251.
- Anacardiaceae: Mitigating impacts to transplanting Michaux's sumac, an endangered shrub, 265–271.
- ANDREAS, BARBARA K. and DIANE H. LUCAS, Bryophyte flora of Jefferson County, Ohio, 162–171.
- Anthocerotaceae: *Megaceros aenigmaticus* in Georgia, 178.
- Araceae: *Pistia stratiotes* in Alabama, 251–253; *Sabal minor* in eastern North America, 172–177.
- Asteraceae: Pollination biology, etc., in *Rudbeckia auriculata*, a rare southeastern endemic, 226–238; Status of *Solidago albopilosa*, a Kentucky endemic, 124–128.
- Bartholomew award, 2006 recipient and information for 2007, 186–190.
- Begonia cucullata* in Alabama, 251–253.
- BENNETT BRADLEY C. (see Dray, F. Allen, Jr.), 210–225.
- Book Reviews: Plant life of Kentucky: an illustrated guide to the vascular flora, 255–257, 336–338; Plants of the Cherokee, 86; Wildflowers of Tennessee, the Ohio Valley, and the Southern Appalachians, 87.
- BOYD, ROBERT S. (see Diamond, Alvin R., Jr.), 226–238.
- BOYER, MARJORIE (see Braham, Richard), 265–271.
- BRAHAM, RICHARD, CHRISTOPHER MURRAY, and MARJORIE BOYER, Mitigating impacts to Michaux's sumac (*Rhus michauxii* Sarg.): a case study of transplanting an endangered shrub, 265–271.
- BRITTON DONALD M. (see Brunton, Daniel F.), 15–30.
- BRUNTON, DANIEL F. and DONALD M. BRITTON, *Isoetes melanopoda* spp. *silvatica* (subsp. nov.), a new quillwort (Isoetaceae) from eastern North America, 15–30.
- Bryophytes: Of Jefferson County, Ohio, 162–171.
- Buckleya distichophylla* on Poor Mountain, Virginia, 31–44.
- BURK, WILLIAM R. and ALAN S. WEAKLEY, Albert E. Radford—a tribute, 179–185.
- Canna glauca* in Alabama, 251–253.
- Carex roanensis*, geographic and ecological distribution, 45–53.
- Caryophyllaceae: *Silene catesbaei*, the correct name of the endangered Fringed Catchfly, 324–329.
- Cayratia japonica* naturalized in Alabama, 248–251.
- CENTER, TED D. (see Dray, F. Allen, Jr.), 210–225.
- CLARKE, PAUL A. (see Leahy, Michael J.), 31–44.
- Clusiaceae: *Hypericum perforatum* in Alabama, 251–253.
- Council and committees of SABS (2006–2007), 258–261.
- CRANDALL, RAELENE M. and RONALD J. TYRL, Vascular flora of the Pushmataha Wildlife Management Area, Pushmataha County, Oklahoma, 65–79.
- Crassula aquatica* in South Carolina, 253–255.
- CRUTCHFIELD, PHILIP J. (see Sorrie, Bruce A.), 129–161.
- Cyperaceae: Distribution of the Roan Mountain Sedge, *Carex roanensis*, 45–53; Seasonal pond habitat and effects on endangered northeastern bulrush in Pennsylvania, 272–281.
- Dalea foliosa*, microhabitat requirements and establishment of new populations, 94–104.
- DAVIS, S. BARRY, WALTER S. JUDD, and KENT D. PERKINS, Noteworthy collection in Florida, 333–334.
- Desmodium ochroleucum*, transplant survival in Maryland, 329–332.
- DEXTER, KYLE G. (see Tripp, Erin A.), 172–177.
- DIAMOND, ALVIN R., JR. (see Woods, Michael), 251–253.
- DIAMOND, ALVIN R., JR., DEBBIE R. FOLKERTS, and ROBERT S. BOYD, Pollination biology, seed dispersal, and recruitment in *Rudbeckia auriculata* (Perdue) Kral, a rare southeastern endemic, 226–238.
- Diphasiastrum digitatum* in Alabama, 251–253.
- DISTER, DAVID C., Characterization of a new population maximum for *Triphora trianthophora* in Ohio, 321–324.
- DONALDSON, JAMES T. (see Smith, Tyler W.), 45–53.
- DRAY, F. ALLEN, JR., BRADLEY C. BENNETT, and TED D. CENTER, Invasion history of *Melaleuca quinquenervia* (Cav.) S.T. Blake in Florida, 210–225.
- DROZDA, NICHOLAS C. (see White, Deborah L.), 124–128.
- Dryopteridaceae: *Polystichum braunii* in Alabama, 251–253.
- DUNSON, WILLIAM A. (see Lentz-Cipollini, Kendra A.), 272–281.
- EBINGER, JOHN E. (see McClain, William E.), 312–320.

- DUNSON, WILLIAM A. (see Lentz-Cipollini, Kendra A.), 272–281.
- EBINGER, JOHN E. (see McClain, William E.), 312–320.

- Ecology:** Abandoned limestone quarry at Center Hill Dam, DeKalb County, Tennessee, 54–64; Distribution of the Roan Mountain Sedge, *Carex roanensis*, 45–53; Dynamics of species composition in Baber Woods Nature Preserve, Illinois and effects of fire suppression, 312–320; Flora of the longleaf pine ecosystem of Fort Bragg and Weymouth Woods, North Carolina, 129–161; Huggins Island, North Carolina, 292–311; Invasion history of *Melaleuca quinquenervia*, in Florida, 210–225; Microhabitat requirements of federally endangered *Dalea foliosa* and establishment of new populations, 94–104; Mitigating impacts to transplanting Michaux's sumac, an endangered shrub, 265–271; Northernmost limit of *Rhizophora mangle* in Florida, 239–244; Pollination biology, seed dispersal, and recruitment in *Rudbeckia auriculata*, a rare southeastern endemic, 226–238; Seasonal pond habitat and effects on endangered northeastern bulrush in Pennsylvania, 272–281; Transplant survival, reproductive output, and population monitoring of *Desmodium ochroleucum* in Maryland, 329–332; Woody vegetation associated with Piratebush, *Buckleya distichophylla* on Poor Mountain, Virginia, 31–44.
- Elatine rubella* and *Elatine minima* in South Carolina, 253–255.
- Fabaceae:** *Indigofera hirsuta* and *Vicia americana* in Alabama, 251–253; Microhabitat requirements of federally endangered *Dalea foliosa* and establishment of new populations, 94–104; Transplant survival of *Desmodium ochroleucum* in Maryland, 329–332.
- Fire:** Dynamics of species composition in Baber Woods Nature Preserve, and fire suppression, 312–320.
- Flora:** Abandoned limestone quarry at Center Hill Dam, DeKalb County, Tennessee, 54–64; Bryophytes of Jefferson County, Ohio, 162–171; Elk and Bison Prairie, Land Between the Lakes National Recreation Area, Kentucky, 105–123; Huggins Island, North Carolina, 295–311; *Isoetes melanopoda* spp. *silvatica* (subsp. nov.), new to eastern North America, 15–30; Lichen inventory of North Carolina piedmont, 282–294; Longleaf pine ecosystem of Fort Bragg and Weymouth Woods, North Carolina, 129–161; Myxomycetes of Radnor Lake State Natural Area, Tennessee, 245–247; Pushmataha Wildlife Management Area, Oklahoma, 65–79; Water-clover ferns, *Marsilea*, in the southeastern United States, 1–14.
- Florida:** Invasion history of *Melaleuca quinquenervia*, 210–225; Northernmost limit of *Rhizophora mangle*, 239–244; *Oplismenus burmannii*, 333–334.
- FOLKERTS, DEBBIE R.** (see Diamond, Alvin R., Jr.), 226–238.
- Georgia:** *Megacerus aenigmaticus*, 178.
- GIANNASI, DAVID E.** (see Zomlefer, Wendy B.), 239–244.
- GOERTZEN, LESLIE R.** (see Hansen, Curtis J.), 248–251.
- GRAY, JANET BRACEY** (see Sorrie, Bruce A.), 129–161.
- GROLLER, PATRICIA L.** (see Tyndall, R. Wayne), 329–332.
- Habranthus tubispathus** in Alabama, 251–253.
- HANSEN, CURTIS J.** and **LESLIE R. GOERTZEN**, *Cayratia japonica* (Vitaceae) naturalized in Alabama, 248–251.
- HIDAYATI, SITI N.** (see Thompson, Jennifer N.), 94–104.
- HUTTO, CURTIS J.** (see Leahy, Michael J.), 31–44.
- HYATT, PHILIP E.**, Noteworthy collection in Georgia, 178.
- Hydrophyllaceae:** Biosystematics of *Phacelia ranunculacea* complex, 192–209.
- Hypericum perforatum** in Alabama, 251–253.
- Illinois:** Dynamics of species composition in Baber Woods Nature Preserve, 312–320.
- Indigofera hirsuta** in Alabama, 251–253.
- Invasive Species:** *Cayratia japonica* naturalized in Alabama, 248–251; Invasion history of *Melaleuca quinquenervia* in Florida, 210–225.
- Isoetes melanopoda* spp. *silvatica* (subsp. nov.), a new quillwort from eastern North America, 15–30.
- JACONO, COLETTE C.** and **DAVID M. JOHNSON**, Water-clover ferns, *Marsilea*, in the southeastern United States, 1–14.
- JOHNSON, DAVID M.** (see Jacono, Colette C.), 1–14.

Statement of Ownership, Management, and Circulation of *Castanea*, *The Journal of the Southern Appalachian Botanical Society*, Required by 39 U.S.C. 3685. Filed 1 October 2006.

*Castanea*, *The Journal of the Southern Appalachian Botanical Society* is published quarterly at Biology Department, Newberry College, 2100 College Street, Newberry, South Carolina 29108. Publisher: Southern Appalachian Botanical Society, Inc. Managing Editor: Audrey Mellichamp, 3036 Ventosa Drive, Charlotte, North Carolina 28205. Owner: Southern Appalachian Botanical Society, Inc., Biology Department, Newberry College, 2100 College Street, Newberry, South Carolina 29108.

The known bondholders, mortgagees, and other security holders owning or holding 1% of more of the total amount of bonds, mortgages, or other securities are: None.

Purpose, function, and nonprofit status of this organization and the exempt status for Federal income tax purposes, have not changed during the preceding 12 months.

Extent and Nature of Circulation: Total number of copies (net press run) – Average number during the preceding 12 months: 1160, for single issue nearest to filing date: 1100.

Paid circulation (by mail and outside mail):

1. Copies mailed outside-county paid subscriptions – average number during the preceding 12 months: 1051, for single issue nearest to filing date: 1030.
2. Copies mailed in-county paid subscriptions – average number during the preceding 12 months: none, for single issue nearest to filing date: none.
3. Copies paid distribution outside the mails including sales through dealers and carriers, street vendors, counter sales, and other paid distribution outside USPS – average number during the preceding 12 months: none, for single issue nearest to filing date: none.
4. Copies mailed by other classes of mail through the USPS – average number during the preceding 12 months: none, for single issue nearest to filing date: none.

Total paid distribution – average during preceding 12 months: 1051, for single issue nearest filing date: 1030

Free or Nominal Rate Distribution (by mail and outside mail):

1. Copies free or nominal rate outside-county – average number during the preceding 12 months: 2, for single issue nearest to filing date: 2.
2. Copies free or nominal rate in-county – average number during the preceding 12 months: none, for single issue nearest to filing date: none.
3. Copies free or nominal rate mailed at other classes through the USPS – average number during the preceding 12 months: none, for single issue nearest to filing date: none.
4. Copies free or nominal rate distribution outside the mail – average number during the preceding 12 months: none, for single issue nearest to filing date: none.

Total free or nominal rate distribution – average number during the preceding 12 months: 2, for single issue nearest to filing date: 2.

Total distribution – average number during the preceding 12 months: 1053, for single issue nearest to filing date: 1032. Copies not distributed – average number during the preceding 12 months: 107, for single issue nearest to filing date: 68. Total – average number during the preceding 12 months: 1160, for single issue nearest to filing date: 1100. Percent paid – average number during the preceding 12 months: 99%, for single issue nearest to filing date: 99%.

I certify that the statements made by me above are correct and complete. Signed, Charles N. Horn, Treasurer, SABS.

## TABLE OF CONTENTS

<b>Water-clover Ferns, <i>Marsilea</i>, in the Southeastern United States</b>	
COLETTE C. JACONO and DAVID M. JOHNSON .....	1
<b><i>Isoetes melanopoda</i> spp. <i>silvatica</i> (subsp. nov.), a New Quillwort (Isoetaceae)</b>	
From Eastern North America	
DANIEL F. BRUNTON and DONALD M. BRITTON .....	15
<b>The Composition and Structure of Woody Vegetation Associated With</b>	
<b>Piratebush, <i>Buckleya distichophylla</i> (Nutt.) Torr., on Poor Mountain, Virginia</b>	
MICHAEL J. LEAHY, CURTIS J. HUTTO, and PAUL A. CLARKE .....	31
<b>The Geographic and Ecological Distribution of the Roan Mountain Sedge,</b>	
<b><i>Carex roanensis</i> (Cyperaceae)</b>	
TYLER W. SMITH, JAMES T. DONALDSON, THOMAS F. WIEBOLDT, GARY L. KAUFFMAN, and MARCIA J. WATERWAY .....	45
<b>Vascular Flora and Plant Habitats of an Abandoned Limestone Quarry at</b>	
<b>Center Hill Dam, DeKalb County, Tennessee</b>	
RALPH L. THOMPSON and LANDON E. MCKINNEY .....	54
<b>Vascular Flora of the Pushmataha Wildlife Management Area, Pushmataha</b>	
<b>County, Oklahoma</b>	
RAELENE M. CRANDALL and RONALD J. TYRL .....	65
<b>Scientific Note</b>	
<b>A Nomenclatural History of Southeastern Filiferous <i>Yucca</i>, With Selection of a</b>	
<b>Neotype For <i>Y. flaccida</i></b>	
DANIEL B. WARD .....	80
<b>Castanea Reviewers for 2005</b>	
<b>Book Reviews</b> .....	85
	86
 <b>John W. Thieret (1926-2005)—Botanist, Teacher, Editor, Author, Mentor, and Friend</b>	
RALPH L. THOMPSON .....	89
 <b>Microhabitat Requirements of the Federally Endangered <i>Dalea foliosa</i>, with Recommendations on Establishment of New Populations</b>	
JENNIFER N. THOMPSON, JEFFREY L. WALCK, and SITI N. HIDAYATI .....	94
<b>Vascular Flora of the Elk and Bison Prairie, Land Between The Lakes National Recreation Area, Trigg County, Kentucky</b>	
RALPH L. THOMPSON and DERICK B. POINDEXTER .....	105
<b>Status of <i>Solidago albopilosa</i> Braun (White-haired Goldenrod) [Asteraceae], a Kentucky Endemic</b>	
DEBORAH L. WHITE and NICHOLAS C. DROZDA .....	124
<b>The Vascular Flora of the Longleaf Pine Ecosystem of Fort Bragg and Weymouth Woods, North Carolina</b>
